

**NASA Texas Supplemental Rules
Version 1.3 Updated 12/20/18**

These rules supersede the CCR where there's a conflict:

Racers and Time Trial (This does not apply to HPDE)

1. Any competitor's first offense of a pass made under a single standing, waving, or double yellow will result in the usual penalties per the CCR. A second offense will result in a 2 race suspension, as well as the usual penalties. A third offense will result in a license suspension.
2. Drivers with a provisional license must present their Provisional License booklet to the Race Director at, or before, the 1st driver's meeting.
3. Drivers need to check their grid space number before heading to Grid for Race sessions.
4. Drivers /Teams are responsible to make sure their data with T&S is correct before the end of the event on Sunday. Data such as member # or Team #, or class which is critical for points calculation, will not be changed after the event.
5. Time Trial will have 4 results drops for season points. Spec Miata will have 5 race drops. CMC, AI, SI, AIX will have 7 race drops. All other race classes will have 6 race drops for season points. This rule supersedes the CCR and/or class rules.
